A WEEKLY PATRIOTIC PRAYER BULLETIN
MERGING PRAYER AND PATRIOTISM

Happy New Year! "For America's Sake"

Dear Watchman,

I hope you had a great Hanukah and Christmas. My wish is for you to have a blessed New Year in 2012. Let me give you hope in this prayer bulletin. After what we've experienced in 2011, we surely need a word of encouragement. I know I do. This year was, as I predicted, the best of the best and the worst of the worst. I worked extremely hard this year. I don't remember taking any vacation time. I didn't think I could. Too many crises, too little time.

The Lord revealed to me early in the year that New Mexico would be our mission field. As it turned out, it was a battle ground for most of the year. It still is. And even though the GLC network dropped the Insight broadcast, our prayer increased and the Holy Spirit took charge of me and the Insight ministry in a way I never dreamed possible. You stood up and stuck it out with me. The encouraging letters, words, and prayers got me through it. I can never thank you enough for your faithfulness. May God richly reward you!

Instead of the ministry going under, it went up, way up heavenward! What the devil meant for evil, God made it good. Thank you, Lord! Many people say GLC cancelled the Insight broadcast for a reason—a greater purpose;

I'm beginning to agree with them. The last Faye's Facts of the year was a victory report, praise the Lord!

As I traveled from Albuquerque to Santé Fe, from Roswell to Plaines, to Lubbock, to Odessa, and finally to Hobbs, there were celebrations beyond measure. The postponing of listing the Dune lizard on the Endangered Species List can only be attributed to Divine intervention! Our God has answered prayer! It was sudden and before the December 14th deadline. You are the reason it was postponed. The majority of Americans didn't even know the listing and energy confiscation was taking place. Obama got close, but thus far God has stayed his hand of destruction in New Mexico and Texas. However, since Obama is oppressed of Satan, he did not even flinch. He's right back at it. Currently, he's taking an \$8 million Hawaiian vacation and sending us the bill. He also closed the year out demanding Congress to extend for two whole months a "Social Security tax cut" of \$20-\$40 per month. He made a fool out of the Republican controlled House of Representatives who gave in to his demands.

President Obama recently stated to ABC News and Barbara Walters that he has done more to "change" America than any other president, or

many other presidents combined. The problem is his "change" has been to create a socialist federal government system and he's indebted the country into the trillions that can never be repaid.

Barack Obama is a skilled campaigner and a compulsive liar. Unless God intervenes, he will be re-elected in 2012. Look at our presidential choices. Most are just as corrupt as Barack Obama. May God help us! Pray He give us righteous rulers!

What are your goals for 2012?

What are your goals spiritually for 2012? This is vital. We must have a definitive prayer strategy. We cannot veer off course at all. So this Faye's Facts is to call your attention and seek your commitment for "America's sake" in 2012.

There is much confusion and conflict in the political realm. A war is on in the spirit realm and the battles are raging against us. Look at the meaning of the Hebrew numbers 12 and 20:

Biblically, the number 12 means:

The number of divine government and apostolic rule.

The number twelve represents the epitome of consummate divine and human rulership under God the

Creator. Twelve is the number of God's covenanted ones in power and authority. Whereas 12 is the number of natural creatures holding spiritual power and its governments in their hands, seven designates the same thing in the reverse. That is, spiritual power embodied in natural vessels wielding the highest catalytic authority in God's creation.

For the number 11, the paradigm shifts. Eleven is a transitional number that signifies when power changes hands because it falls between 10, the number of divine injunction and government, and 12, the number of the rule of God's covenanted ones, particularly apostles.

1ST Kings 6:38; *in the eleventh year, in the month Bul, which is the eighth month, was the house finished throughout all the parts thereof, and according to all the fashion of it. So was he seven years in building it.*

2 Kings 9:29; *And in the eleventh year of Joram the son of Ahab began Ahaziah to reign over Judah.*

Matthew 19:28; *And Jesus said to them, "Truly I say to you, that you who have followed Me, in the regeneration when the Son of Man will sit on His glorious throne, you also shall sit upon twelve thrones, judging the twelve tribes of Israel."*

Revelation 21:12; *It had a great, high wall with twelve gates, and with twelve angels at the gates. On the gates were written the names of the twelve tribes of Israel.*

Twenty is the natural number following 19 and preceding 21. A group of twenty units may also be referred to as a score. This is exactly what we must do in the election this year. Twenty is also the number for "vision." Age 20 is the age at which Levites in the time of King David were allowed "to do the work for the service of the house of the Lord", the Temple in Jerusalem.

In the time of Ezra and Nehemiah, following the Babylonian captivity, it was Levites from the age of 20 upwards who were assigned "to oversee the work of the house of the Lord.

Ezra Chapter 3, verse 8. Restoration of the Temple begins:

8 Now in the second month of the second year of their coming to the house of God at Jerusalem, Zerubbabel the son of Shealtiel, Jeshua the son of Jozadak, [b] and the rest of their brethren the priests and the Levites, and all those who had come out of the captivity to Jerusalem, began work and appointed the Levites from twenty years old and above to oversee the work of the house of the Lord.

It will take a vision and much faith to make it through the lies and propaganda that is being developed as I write this to you. (Obama and his team are in Hawaii deciding how to deceive us and they are good at it.) However, truth will overcome lies-- if it be told. I am going to tell it like never before and need your prayers and support like never before.

Today, I really want you to be filled with truth and faith. We, as intercessors, will shine the Light of Truth in the dark places. I heard on the news this morning that President Obama announced from his Hawaiian vacation that he intends to ask Congress for another \$1.4 trillion in the first part of January 2012. Pray God deliver us from wicked rulers in authority!

For America's Sake

I really need your help financially to maintain the Insight USA ministry. It is imperative we stay on television and get our message out to the masses. The Dune lizard listing has been postponed for six more months. That means our work is not finished. My research has uncovered massive fraud and corruption in the Department of Interior and the Judgment Fund. This needs national media exposure to hold persons accountable. We can push Congress to de-fund these agencies with God's help.

New Mexico – Texas Trip Report

As I was preparing to leave Florida for New Mexico two weeks ago, the weather was calling the shots as to whether I could land in Albuquerque, Roswell, or Santé Fe. I had to navigate the winter storm passing through leaving ice and snow on the roads. I felt the Lord had opened the doors for my trip and I wasn't going to let bad weather hinder me unless I had no other choice. I had meetings scheduled with several of the new TV stations carrying the broadcast, and I also wanted to meet with the prayer teams. I was very excited to be a featured guest on a flagship program "God Answers Prayer." If you live in the viewing area I hope you saw it. (Son Broadcasting Network.)

In Santé Fe, I planned to go to the WildEarth Guardian headquarters. I wanted to ask them one-on-one why they were fighting to ration our energy sources, and how they were funded, why without scientific evidence they wanted the Dune lizard listed as endangered?

I also wanted to go to Roswell and spend some time with the intercessors there. However, it would take a warm front to blow in for any of this to manifest. I asked the Lord to intervene in the weather situation so I could carry out my trip as planned. On Sunday, I called the airline to see how the weather was and if the flight was still confirmed. They said I could fly into Albuquerque and the weather looked good for travel. I gave thanks to the Lord.

Adelle met me in Albuquerque to help me with my trip. Sharon picked me up at the airport and hosted a lunch for me on Monday. Spending time with the Albuquerque intercessors was very refreshing. Nancy attended the Jericho March in DC, and Sharon attended our Albuquerque conference a few years ago. Both, like all of our leaders, are committed to prayer regardless of circumstances or numbers. These are the type of people

that keep our prayer network strong. The prayer teams usually have three to 12 members and there is no pressure to build up numbers. The main goal is to stay on the wall and pray effectively. God is hearing and answering our prayers.

On Monday morning, I was scheduled to be a featured guest on WAZQ "Spectrum." However, the wife of CEO Raymond Franks suffered a heart attack on Sunday and was hospitalized. Adelle and I decided to go to the hospital and pray for her, on the way, we stopped by Evangelical Christian Center to meet Brenton Franks, (Ray's son) who is pastor. This was a divine appointment. Next year, we are already planning to have rallies in Albuquerque and Santé Fe.

While in Santé Fe, I went to the WildEarth Guardians headquarters. Since they have successfully filed thousands of lawsuits over the years and been awarded hundreds of thousands, if not millions of dollars in legal fees, I expected to see a luxurious office space. How wrong I was! The office building was small and located in a "slum" area of town. It was so surprising I made sure to record it on video. But, in the window was a "We've Moved" sign, so Adelle and I had to find the new office address. It was also in a rundown area with bars on the windows. There were no obvious business signs they were even there. I went in and asked for President John Horning. He was not there. I wondered where all the high-priced environmental lawyers were? I realized my research was valid. These groups are scamming the system. Plain and simple.

In the next couple months I will be publishing a Special Report documenting this racketeering of the federal government tax revenues. We are the ones being robbed! I take that personally — don't you?

On Wednesday, I awoke to snow. It was beautiful. The roads were fine for travel and we went to Roswell to meet with ministry friends. It was a spur of the moment meeting that came together at the IHOP. Wayne even put an ad in the newspaper and brought in people. The place was packed and we had so much fun. The spirit there was sweet.

From Roswell, Adelle and I drove to Lubbock. We stopped to see my partner and friend Sarah Jane in Plaines. She was so surprised! She's just completed her last round of chemotherapy. She looked great and is a walking miracle. The Lord is healing her body. Amen!

I was extremely blessed to see how God is protecting my partners and friends.

We finally made it to Lubbock for an overnight stay, and then I left for Odessa at 7:00AM. Adelle is a trooper, that's for sure. Our Odessa meeting was at 10:00AM. David and Barbara House met us at the MCM Grande hotel. We had leaders from Hobbs, Big Spring, Roswell, Lubbock, and Midland-Odessa. The unity and fellowship was wonderful. We missed those who could not attend.

Beth came to Odessa and took me to Hobbs. She hosted me in her home and on Friday evening the Hobbs team came to enjoy a fantastic dinner prepared by Dolores, the Hobbs team leader. I gave an update on the postponement of the Dune lizard listing and we had a great time rejoicing. Pastor John Ayers has been so faithful in helping us. He and many in his church have worked and sacrificed every time we needed them.

On Saturday, my last rally was hosted by Pete Orr. It was held at First Christian Church and most who attended were new. The pastor was very gracious and may host an Insight prayer team. We appreciated Pete's hard work to host us at his Messianic congregation.

I was very happy for the ability to meet with so many powerful, patriotic, prayer warriors and be able to call them "friends."

On Tuesday, I was back in Orlando and our Leesburg prayer team celebrated Hanukkah and Christmas. We had a great time in the Lord and encouraged one another that we made it through another year. John and Dottie are the team leaders and they are doing a terrific job. We appreciate their dedication and loyalty.

I wish to thank everyone for their prayers, financial support, and words of encouragement. I pray you will continue to stand with me in 2012. It's a presidential election year and we have much work to do.

Prayer Points

The following Scripture is the 20th book of the Bible.
Proverbs 20:12:

Proverbs 20:12; The hearing ear and the seeing eye, The LORD has made them both. Habakkuk said to "write the vision." That is what we will do this week. We need a strong, blessed, prayer network in order to take on the issues before us this year. So, take a moment and write what you need and want God to do for you, your family, and this nation. This should only take a few moments. Fold the paper and put it in a stack and have the prayer team lay hands on it and ask God to work everything to your and this nation's good.

Pray for a strong vision that He wants you to pursue to allow His will to be done this election year.

Pray for all hidden schemes, gimmicks, lies, rackets, and shakedown plots and players to be revealed and removed from every area of our federal government.

Pray for WildEarth Guardians to be exposed and those using fake sciences to win bogus law suits come to light. Pray the lawyers laundering money so they can give one billion dollars to Obama's campaign in order to shut down our oil, gas, and coal energy be caught and brought to justice. Extortion, fraud, and money laundering is still illegal.

Pray for all Mid-East Muslims Obama and Hillary are importing at tax payers' expense be exposed before he gives blanket amnesty and they become citizens and able to vote for Obama in November.

Pray for the victims of the radical extremists to get their due and legal representation; and for the thief to bring back everything he has stolen, and for Congress to remove funding to the agencies tormenting hard working farmers, ranchers, and property owners.

Pray for Faye to get the new partners she needs to carry on.

Pray for a sponsor for the Amarillo TV station to come forth. Also, a sponsor for TV in Florida. Our program is in demand and if the Lord would touch hearts to give to this ministry, we could be on 100 stations in two weeks.

Pray for an outpouring of giving FOR AMERICA'S SAKE. Monthly partners needed now: FOR AMERICA'S SAKE... see pledge card.

Pray for Obama's mask to come off; If he is not who he says he is, pray for a breakthrough now.
